

## Environmental Policy

Moor Cottage Veterinary Practice, part of the Linnaeus Veterinary Limited, offers a range of high-quality veterinary services for small animals via practice situated in Bracknell, Berkshire.

At Moor Cottage, our team works hard to provide friendly, knowledgeable support to pet owners, while maintaining the very highest standards in patient care and client service.

Our core environmental impacts are Climate Change, Waste Management and Responsible Pharmaceutical and Chemical Stewardship. We acknowledge that our operations have an effect on the environment and our ambition is to continually improve by:

- Accessing sustainability-focused information and training
- Using sustainability performance metrics to drive change
- Supporting sustainable transport options and healthy lifestyles for our Associates
- Improved resource management including waste management plans
- Providing clients support on responsible preventative care strategies
- Accepting returns of unused or out-of-date veterinary medicines to our practices
- Being compliant with applicable environmental regulations and meeting our clients' expectations.

Moor Cottage Veterinary Practice are committed to reducing their environmental impacts. Helen John is our Sustainability Lead and has designated responsibility for the day-to-day implementation of this policy.

We communicate this policy to our Associates, ensuring that they are provided with training to increase awareness of environmental matters and opportunities to make changes. We make this policy available to our clients through our practice website and we welcome ideas or questions from clients via our Client Care teams.
